

To all,

WE ARE OPEN FOR BUSINESS and will continue to ensure that everyone visiting our show homes is kept safe and updated on the developments at suitable times.

We are closely monitoring updates of COVID-19 and following the guidance of the Alberta Health Services, all levels of government and the World Health Organization to safeguard ourselves and those around us.

ENHANCED PROTOCOLS HAVE BEEN IMPLEMENTED AND VIGILANTLY PRACTICED in our sales center to ensure the health and safety of our guests, employees, and associates. If you have traveled outside of Canada in the last 14 days, are experiencing COVID19 symptoms - we ask that you follow government regulations and self-isolate. [Feel free to contact us via phone or email.](#)

- * Regular professional showhome cleaning and sanitization
- * Hand sanitization upon entry
- * Social distancing - less than two meters
- * Refrain from handshaking
- * We apologize however no coffee or bottled water will be offered at this time

AT-HOME SHOPPING WITH VIRTUAL TOURS

Given current recommendations for social distancing, we are in the process of creating virtual tours of our homes.

To ensure that our valued customers are well-served and also safe, we can facilitate an **at-home purchase** by offering these tours along with all our documentation and paperwork online, providing walk-around videos of the homes and lots.

GETTING THROUGH THIS TOGETHER

Our focus is to ensure we continue to meet customer needs while doing our part to provide you, our employees and our communities a pleasant and safe environment to shop in. We truly appreciate the trust you place in our team and our company during this uncertain time.

In the meantime, we will continue to pray and have faith this will end shortly and the people who have been stricken by this virus fully recover. Please take care and be safe.

[For any other inquiries, please feel free to reach out.](#)

Sincerely,

Ron Butler
President
