FEATURES

The Windermere is a contemporary open concept light filled home which features a neutral colour palette juxtaposed against dark cabinetry and highlighted with warm metal finishes.

The chef's kitchen boasts ceiling height custom cabinetry with paneled appliances, a quartz waterfall island show stopping walnut feature wall.

At the end of the day escape to your spa-like bathroom illuminated by a skylight and accented with Carrara marble tiles, a custom floating vanity and decorative fixtures.

Details like the contemporary glass panel railing, on trend plumbing and lighting fixtures and hand painted cement tiles will definitely have your guests talking.

The lower level walkout features a bedroom, bathroom, rec room with custom walnut wet bar and 2 way fireplace with remote. The perfect spot to relax with family or to entertain guests.
